

Draw like a Pro

If learning to sketch like a professional is on your list of New Year's resolutions, then you're in luck. Artist Sight is a revolutionary event organised by instructor and classically-trained artist Deborah Mends that aims to teach anyone (yes, even an absolute beginner) how to draw like a trained artist in only ten weeks! The classes will take place for ten consecutive Saturday mornings starting January 16, is open to all over the age of 16 and costs a total of Dh3,500. Participants will learn to work through a series of exercises and drawings over the weeks to engage the way the brain learns to draw and will be able to perfect realistic portraits by week ten.
